The Principal KV Kathmandu, Tehran and Moscow

Subject: Clarifications on the Implementation of three Language Policy in Class VI to X from the Academic Session 2026-27 and Onwards reg.

Madam/Sir,

In continuation of this office letters dated 10.04.2026 and 27.05.2026, and in the light of the Press Release issued by the CBSE on 29.06.2026 regarding the implementation of the Three-Language Policy, the following points relating to the policy/stand of KVS on the implementation of the Three-Language Formula in Class IX from the Academic Session 2026-27 are hereby conveyed for the information and guidance of all concerned:

- Class X:** The revised language policy prescribing three languages R1, R2 and R3 shall not be applicable to the students of Class X during the Academic Session 2026-27. Accordingly, no Board Examination in the third language (R3) shall be conducted for Class X students in the Academic Session 2026-27. The existing Class X students shall continue to study two languages, i.e., Hindi/Sanskrit and English, as per the existing KVS curriculum and scheme of studies as before.
- Class IX:** From the Academic Session 2026-27 onwards, students of Class IX are required to study three languages. As English is the only non-native language taught in Kendriya Vidyalayas, the other two languages are required to be Indian languages. Accordingly, KVS has adopted Hindi as R1, English as R2 and Sanskrit/Regional Language as R3. All students studying in Class IX have already studied Hindi, English and Sanskrit from Classes VI to VIII. Students may opt for Sanskrit or a State/Regional Language as R3, subject to a minimum of 15 students opting for a particular State/Regional Language. Students opting for Sanskrit shall continue to study the prescribed NCERT textbooks. The assessment and evaluation of R3 shall be governed by the provisions contained in CBSE Circular No. Acad-33/2026 dated 15.05.2026. NCERT has started uploading R3 Language Learning resource material for different subjects. For class IX Sanskrit R3 material 'इरावती' is available. All Schools may be informed to use the same. NCERT Link for the same is: https://www.ncert.nic.in/R3_learning_Resources.php?iravati1=0-11
- Class VII & VIII:** Students of Classes VII and VIII are already studying three languages, viz., Hindi, English and Sanskrit, of which Hindi and Sanskrit are Indian languages. The existing policy regarding the study of a State/Regional Language under Article 112 of the KVS Education Code shall continue for these classes during the current Academic Session. Accordingly, students may opt for a State/Regional Language in place of Sanskrit, subject to a minimum of 15 students opting for the particular State/Regional Language.

9/7/26

This arrangement shall continue up to Class VIII. Thereafter, when these students are promoted to Class IX, the language framework, subject choice, assessment and evaluation shall be governed by the provisions applicable to Class IX, as detailed in Para 2 above, and shall continue in the same manner up to Class X. However, these students shall not be required to appear in a Board Examination in the third language (R3) at the end of Class X. The implementation of R3 shall continue to be introduced progressively in subsequent academic sessions, as already communicated.

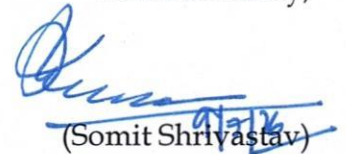

4. **Class VI:** From the Academic Session 2026-27 onwards, students of Class VI shall study Hindi as R1, English as R2 and Sanskrit/Regional Language as R3. This cohort shall continue to study the three-language framework progressively in the subsequent classes. Upon reaching Class X, these students shall appear for the Board Examination in all three languages, including R3, in accordance with the applicable CBSE Scheme of Studies and Examination. For further guidance, please refer KVS letter dated 10.04.2026.
5. **Exceptions:** Children with Special Needs (CwSN) shall be exempted from the requirement of studying R3 in accordance with the provisions of the Rights of Persons with Disabilities (RPwD) Act, 2016 and the guidelines issued by CBSE/KVS from time to time. **Further,** students studying in the foreign KVs at Kathmandu, Moscow and Tehran are exempted from the requirement of studying two Indian languages. Accordingly, they may opt for a combination comprising one Indian language and two foreign languages, subject to the applicable CBSE/KVS provisions. **In addition,** students returning to India from foreign countries and seeking admission in Kendriya Vidyalayas shall be dealt with in accordance with the relaxation provisions of the CBSE Scheme of Studies and Examination and the relevant KVS Admission Guidelines, so as to ensure their smooth academic transition.

The language policy of KVS is aligned with the provisions of NEP 2020, NCFSE 2023 and the CBSE Scheme of Studies, while taking into account the unique requirements of its stakeholders, particularly the children of transferable Central Government employees. Accordingly, KVS has adopted a uniform language framework across all Kendriya Vidyalayas to ensure continuity of education and stability in subject combinations. This enables students to migrate seamlessly from one Kendriya Vidyalaya to another anywhere in the country without facing academic difficulties arising from changes in language offerings or subject combinations due to the transfer of their parents.

Further, these provisions are based on the extant CBSE Scheme of Studies, Circulars and guidelines in force and keeping in view the specific mandate of KVS. Any subsequent amendments, clarifications or instructions issued by CBSE from time to time shall be adopted by KVS, and these provisions shall be modified and notified accordingly.

This issues with approval of the competent authority.

Yours sincerely,

(Somit Shrivastava)

Joint Commissioner (Acad)
